

5 School Spirit Ideas!

Jersey Mike's loves to see how your students, staff, teachers can come together to show off your spirit in the #AStudentAbove contest!

When planning your school's #AStudentAbove submissions, we find it is most successful when key student groups are involved and large gatherings are leveraged. Good luck!

1. Make the most of Pep Rallies & other school gatherings!

2. Get out your thundersticks! Get the band involved! Get loud!

3. Make banners, shirts, or other creative displays!

4. Mimic top social trends online with your own twist.

5. Ask your cheerleaders & mascot to bring their best!
